

2020 SoCal Conference Committee Announcement Request

PLEASE ANNOUNCE AT ALL MEETINGS 3/28-4/6

During your meeting's announcements section, please bring this message up on a phone, tablet, or computer and read to your virtual meetings. Or, post somewhere at your text-based meetings.

It has been inspiring watching so many meetings adapt during this dynamic time of quarantine. In light of our new shared reality, the SoCal Conference Committee is exploring a virtual format for 2020. This is both an exciting and intimidating moment, as it means blazing new trails. We have no experience to draw from.

Therefore, we are looking for members of the fellowship who are excited by the challenge of change: breaking new ground to create a virtual conference. We seek those with either technical knowledge of OR those willing to find creative ideas for some of the following: Videoconferencing, audio/video broadcasting, virtual discussion rooms, recording of audio and video, posting of online content, and so on.

If this is you, please email 2020socalconference@gmail.com by Monday, April 6th so that we can gauge the level of service interest.

Thank you very much for your service, and thank you for keeping recovery available to those codependents who still suffer!
