

Motion to Adopt the following prayer as a CoDA-Recognized Prayer

Motion Maker's Name: [Los Angeles CoDA Intergroup](#) Date: 3/6/21

[Originally Proposed by LA CoDA Meeting: #CA0596]

Motion: [So Cal CoDA adopt this Healing Prayer as worthy of becoming a CoDA prayer and as the Third Step of CoDA's adoption process to become a part of CoDA literature.](#)

Higher Power, Thank you for pulling up this memory.

It's a painful one.

Thank you for starting to uncover this part of me.

Higher Power, I welcome your healing light to shine on

All corners of this memory so that I can love this part of me, too.

Intent: (Explanation as why it was felt this motion should be written and presented for vote).

[Members of LA CoDA Intergroup believe this prayer is helpful enough that we are hoping you will agree to help us continue the process to CoDA endorsement as another CoDA prayer.](#)

Remarks: (Any additional comments)

[This is the GC process in CoDA for new ideas from the Fellowship to begin their journey through other levels of CoDA that conduct CoDA business.](#)

[To start the process the meeting or committee passes the motion. The meeting GSR or committee chair takes to intergroup/LACC to GC. Our Rep to offers it to the voting entity SoCAL Quarterly Meeting and Assembly. If it is accepted at the Assembly, delegates get it to take it to Conference \(CSC\). That is where further crafting may happen and, hopefully, final endorsement. \(All CoDA literature has passed through and been accepted in all those GCs to be "CoDA Endorsed".\)](#)
