 1. The purpose of SoCalCoDA is to carry the message of experience, strength and hope to co-dependents who still suffer by facilitating the flow of CoDA information in both directions: from individual members through their local meetings and community committees to other regional and state entities and CoDA World Fellowship, as well as from any and all of these back to each individual member.
 2. To fulfill this mission, SoCalCoDA will strive to create and utilize every available communications channel, including but not limited to: members and Regional Reps who attend our meetings; Delegates to CoDA World Fellowship and other state and regional CoDA committees; the exchange of newsletters, minutes and other mailings; and annual conferences with assemblies, workshops and meetings.
