

CSC Report Back

Vanessa CF, Alt Del

Gender neutral happenings...

- Board brought a broad motion to make all language gender-inclusive.
 - Too broad and despite prevailing support, withdrawn.
- Updated CoDA preamble (2-year motion)
 - “Co-Dependents Anonymous is a Fellowship of people whose common purpose is to develop healthy relationships. The only requirement for membership is a desire for healthy and loving relationships.”
 - Dissenting opinion “of codependents”

Literature Motions - procedural

- A defined process of how literature moves from approval at CSC to web/print/etc.
- A defined procedure for how CoDA Literature Committee accepts Voting Entity Literature
- \$10K approved towards a developmental editor for Raised in CoDA book manuscript
- CSC to provide standing approval for ongoing updates of the CoDA Blue Book Pocket Edition so that it matches the current edition of Co-Dependents Anonymous.

Literature Motions – Healing Prayer

- A motion from SoCal
- “Higher Power, thank you for showing me this memory. It is a painful one. Thank you for starting to uncover this part of me. Higher Power, I welcome your healing light to shine on all corners of this memory so that I can love this part of me, too.”
- Dissenting opinion: We don’t need to be told how to pray; this is too much like a religious order.

Literature Motions – New Pamphlet

- “CoDA Conference Endorsed Literature is Vital”
- Passed, but CoRE board noted that pamphlets like these do not sell well

Literature Motions – 12 Trad. Prayers

- Prayers each of the 12 traditions. Have been heavily crafted & recrafted.
- The prayers will be posted on the website as a service piece and will be included in the next edition of the Twelve Steps & Twelve Traditions Workbook in 2023.
- Passed, but CoRE board noted that pamphlets like these do not sell well

Other

- Move towards service workers instead of standing committees
- Delegate Relations Task Force

Thoughts on next year

- Alternate Delegate Outreach
- Considering a session at SoCal Conference reviewing what happened at CSC 2022 and forecasting issues for 2023
- Potential survey updates:
 - Modifications so that it does not need to be completed in one sitting
 - Means for collecting respondents thoughts on the motion
